COURSEWORK

UNDERGRADUATE

Computer Technology
Structured Programming
Data structure
Algorithm
Object oriented programming
Operating Systems
Microprocessor assembly language
Artificial Intelligence
Telecommunication Principles
Database management System

SKILLS

PROGRAMMING

Solved 1000+ Problems
Participated in 100+ online contest
C++ • C • Html • Css •
Familiar:
Javascript • React • Redux • MySQL •
Nodejs • Express • PHP
50+ database problem solved in
Hackerrank

PROJECT

TRAVEL FREAK | SOCIAL MEDIA REACT APP

Github Link

- Travel freak is a full stack application where people can sign in with their email id's or sign up for an account. After log in they can share their experience by making a post and they can view other post as well.
- Javascript,react,redux is used as front-end.
- Nodejs,express,mongodb is used as back-end.

TICT-TAC-TOE AI BOT | PROCESSED BY MINMAX AI ALGORITHM

Github Link

- This is a tic-tac-toe game built with AI feature. There are two main files in this project: runner.py and tictactoe.py. tictactoe.py contains all of the logic for playing the game, and for making optimal moves. runner.py has been implemented for you, and contains all of the code to run the graphical interface for the game.
- Once you've completed all the required functions in tictactoe.py, you should be able to run python runner.py to play against your AI!

QUICKSHARE | A WEB PLATFROM USING SEMANTIC UI

Github Link

- Quickshare is a social media site where people can share their stories by posting texts.
- For database management system GraphQL MongoDB combinedly used.
- React & Redux used in frontend for making frontend UI more beautiful

ACHIEVEMENT

4 STAR CODER ON CODECHEF | Codechef Handle

Highest contest Rank- January Challenge-2021 : 212/40000
20+ Contest participation

60+ RATED CONTEST IN CODEFORCES | Codeforces Handle

Highest contest Rank- Codeforces global round-13-Rank :3854/25000

PARTICIPATED IN ICPC & NCPC | 2018,2019

ACM PROBLEM SOLVING HISTORY | Stopstalk Handle

OTHER CODING PLATFORM PERFORMANCE | Atcoder Handle

EXPERIENCE

2018-2019 Intern Triangle It Hub
2018 Trainer Workshop of 70+ students about competitive programming

EXTRA CURRICULAR ACTIVITIES

2019-2021 Sports co-ordinator Cse Socitey,Metropolitan University
